# GOLDIE LOU'S

Thank you for considering partnering with Goldie Lou's. Our wholesale program is designed to provide a smooth and reliable purchasing experience for our business customers, bringing our creative products from our workshop here in Sparta, MI out to your customers across the country and internationally. Every one of our designs is an expression of our love of the crafts we all create day in and day out. We work hard to create innovative and fun designs for our goods, showcasing original artwork and designs. We take a great deal of time and effort to design fun, witty, and engaging designs that you will be happy to wear day in and day out. We are also proud to make our products here in the great state of Michigan guaranteeing attention to detail and quality.

When we started this company it was founded under three main ideals:

## **PASSION, CREATIVITY & QUALITY**

Goldie Louise, my Paternal Grandmother, believed that everyone was family, if you did something you should try your very best to do it right the first time and believed in appreciating quality in craftsmanship. She was an artist, maker, and crafter and above all someone who cared deeply about everything and everyone she met. So we have taken that mindset and applied it to everything we have built over these past few years. Inside this catalog, you will find our continuing growing collection of original artwork and custom designed products that are but a small sampling of what it is we created here at Goldie Lou's.

## **WHY CARRY OUR PRODUCTS?**

- We offer customization for your store on select items.
- We allow for low opening orders and low minimum quantities for reorders, saving you from having to order and store large quantities of products on hand.
- We can add your store's logo or contact information to our existing designs for instant branding opportunities.
- We can create custom designed artwork for your store, allowing your store to have one of a kind artwork that is just as unique as it is.
- We offer more options for your customers - crew necks, v-necks, 3/4 sleeves, long sleeves, tank tops, zip and pull over hoodies and so much more. We are even able to offer big and tall sizes on request.

Let us share our passion for everything creative and help you and your business grow with our products. Have an idea but don't see it in our catalog? Great! We would love to talk to you about making it happen. We look forward to partnering with you in the future

*Heather*  
STAY GOLDEN!

## MEET GOLDIE LOU

This lovely lady is Goldie Louise or Goldie Lou. Goldie Lou was my paternal grandmother. She was one of the most kind and caring women I have ever known and it was her influence that helped me decide to start selling my items in shows across the country in 2013. She was born and raised in Kentucky and when I was a child she was down in the hollars of Southern Indiana.

My Grandmother taught me the value of making something with my hands, the joy of giving and receiving a handmade gift and more importantly, she taught me the importance of family and community. It was in her home I spent my childhood sleeping under quilts. It was with her I learned more lessons than I can count about how the simple things in life made life worth living. It's my hope, that when you shop with us either in person, at a show, with one of our retailers or online that you can take away a small piece of her warmth and love with you everywhere you go. She did love hugs afterall.
